

Need More Space? Don't Want To Move?

With a mezzanine floor from Appcon Engineering your existing storage area could almost double in size from as little as \$128 Sq/M + GST.*

Appcon Engineering has individually designed and installed mezzanine floors throughout Australia to customers individual storage requirements. Mezzanine floors (single or double) can be installed in almost any warehouse to suit loading and storage requirements. Mezzanine floors increase the property value and can be easily relocated if required. Call us or visit our website for further information.
